<b>About Fitzroy Learning Network</b>	
<p><b>Our vision is of a strong, fair, inclusive and engaged community.</b></p> <p>Fitzroy Learning Network is a non-profit Neighbourhood House and Registered Training Organisation. Since the 1980s we have provided a wide range of programs and services to the Fitzroy community. We have a particular focus on refugees, asylum seekers, and people from migrant backgrounds. We recognise and use the strengths of our local community to create pathways to education, employment, wellbeing, and social connection.</p> <p><b>We believe that the communities we support should be directly included in the way we work. For this reason, we strongly encourage applications from people from diverse cultural and language backgrounds, social housing tenants, Aboriginal and/or Torres Strait Islander people, LGBTIQA+ people, people with disabilities, and members of other marginalised communities.</b></p> <p>We do not tolerate any form of discrimination or harassment from or towards staff, volunteers, or students. We are committed to providing a child-safe and inclusive environment. We have zero tolerance for child abuse.</p> <p>For more information please visit our website <a href="http://www.fln.org.au">www.fln.org.au</a></p>	
<b>About this role</b>	
<p><b>Computer Classroom Assistants</b> support students to develop essential digital literacy skills. These include finding and using information using the internet, using digital devices and online communication platforms. In this role you will support adult students to participate in face-to-face computer classes.</p> <p>You will support students to:</p> <ul style="list-style-type: none"> <li>• Use the basic functions, settings and tools of their computers, Zoom and other programs</li> <li>• Participate confidently in the group class</li> </ul> <p>You will support teachers to:</p> <ul style="list-style-type: none"> <li>• Encourage students to take part in discussions</li> <li>• Facilitate small group work – this may mean leading a small group discussion</li> <li>• Complete class administration tasks if needed</li> </ul>	

### Key responsibilities

- Explain to students how to navigate a laptop, use toolbars in Windows 10, and problem-solve accessing various programs
- Engage in class discussions, support group work and give 1:1 support as needed.
- Support students to understand and complete class tasks
- Support teachers to effectively deliver lessons
- Check in on students' progress and wellbeing and share information with staff as needed
- Complete an online training course about how to be a digital mentor. This takes about one hour. Volunteers will also receive ongoing support from our teaching staff and Volunteer Coordinator.

### What you need for this role

Must have:

- Confidence using a computer, including a strong understanding of the fundamentals of using an operating system such as Microsoft Windows 10, email systems such as Gmail, and Zoom
- Great people skills
- Can work respectfully with culturally and linguistically diverse people
- Patience and problem-solving skills
- Strong English language skills
- Acceptable result from a police check (paid for by us), Working with Children Check and referee check  
*(Please note: we consider all applications. We do not automatically exclude people with criminal records.)*

Nice but optional:

- Ability to speak a language other than English
- Experience in education, IT, small business or craft

### Why volunteer with Fitzroy Learning Network?

- Become a member of a volunteer team that supports your local community
- Experience cross-cultural learning and connection
- Develop new skills and use existing ones
- Starting and ongoing training opportunities offered
- We provide professional references to volunteers who commit for at least 3 months

### How to apply

- Please email your resume to [ruby@fln.org.au](mailto:ruby@fln.org.au) and tell us why you would be a great Digital Literacy Classroom Assistant.
- Please apply by 11.59pm on Sunday 21st February
